DETAILED ACTION

Allowable Subject Matter

1. Claims 1-21 are allowed.

2. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest the device and method claimed by applicant. In particular, the prior art fails to disclose a fluid shunting device with the dimensions and chambers as claimed, along with the other steps and limitations of the claims. The closest prior art of record, US 6,007,510 to Nigam, is subject to a terminal disclaimer. Therefore, the current application is allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leslie R. Deak whose telephone number is 703-305-0200. The examiner can normally be reached on M-F 7:30-5:00, every other Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Angela D. Sykes can be reached on 703-308-5181. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
